Summer Car Sales

This is the summer for great deals on car loans. We're reducing our low rates to help you save on your next vehicle. If you buy a foreign vehicle, we'll take 1% off the rates, if you buy American made, we'll take 1 ½% off the rates and if you buy a locally made vehicle, we'll take off 1 ¾%. This is definitely the time to buy and save on your interest rate. We're also working with AutoDirect this summer to offer you another good deal. If you buy through AutoDirect, they'll pay \$300.00 toward your first payment. See the enclosed flyer for more details on the AutoDirect offer. Remember to check with the credit union first when you're ready to buy your next car. We're here to make sure you get the best deal.

SUMMER CASH

Looking for some extra cash for your summer vacation? Come to the credit union and get our "Summer Signature Special". We're offering \$1500.00 for 12 months @ 10%. You can use the money for vacation, for getting the kids ready for school in the fall or for whatever your cash needs might be. This special is available through August 31st.

ACCOUNT VERIFICATION

The Supervisory Committee is conducting a special audit of members' accounts this quarter. If you have any questions concerning your account with the credit union, please contact the Supervisory Committee % Bettye Williams, 4953 Marsh, Kansas City, MO 64129.

The best laid plans don't always go as expected. Our move to the basement was delayed until September. We're supposed to move to the corner of the basement around the first of September for approximately 3 months. If you're coming to us from outside the complex, you'll need to use the main entrance into the administration building and then call us from the lobby phone to get an escort down to the credit union. Please watch our statement message for the notice of our move.
